

CORPORATE GOVERNANCE

Corporate Governance Practices

The Boards are committed to maintaining high standards of corporate governance, and recognise that sound and effective corporate governance practices are fundamental to the smooth, effective and transparent operation of the Trustee-Manager and the Trust Group, and the ability to attract investment, protect the rights of Holders of Share Stapled Units and other stakeholders, and enhance the value of the Share Stapled Units. The corporate governance policies of the Trustee-Manager and the Trust Group are designed to achieve these objectives and are maintained through a framework of processes, policies and guidelines.

The Trust and the Company are both listed on the Main Board of the Stock Exchange, and are subject to the provisions of the Listing Rules. Pursuant to the Trust Deed, the Trustee-Manager is responsible for compliance by the Trust with the Listing Rules applicable to the Trust and other relevant laws and regulations, the Company is responsible for compliance by the Company with the Listing Rules applicable to the Company and other relevant laws and regulations, and each of the Trustee-Manager and the Company will co-operate with each other to ensure that each party complies with the Listing Rules obligations and to co-ordinate disclosure to the Stock Exchange.

The Trust and the Company have complied with the applicable code provisions in the Corporate Governance Code throughout the six months ended 30 June 2020, except as stated hereunder.

The Trustee-Manager does not have a remuneration committee as provided for in code provision B.1, since under the terms of their letters of appointment the Directors of the Trustee-Manager are not entitled to any remuneration.

In accordance with code provision A.5.1, the Company established a Nomination Committee. While its membership comprises all Directors of the Company, the Nomination Committee of the Company is assisted by an ad hoc sub-committee (which is chaired by the Chairman of the Company Board and its membership, comprising a majority of Independent Non-executive Directors, is compliant with the requirements under the Listing Rules for a nomination committee) when discharging its responsibilities. The Trustee-Manager does not have a nomination committee as provided for in code provision A.5, since in accordance with the Trust Deed and the Trustee-Manager's articles of association, the Trustee-Manager Board shall at all times comprise the same individuals who serve as Directors of the Company, and the requirement to establish a nomination committee is hence considered irrelevant to the Trustee-Manager.

The Trust Group is committed to achieving and maintaining standards of openness, probity and accountability. In line with this commitment and in compliance with the Corporate Governance Code, the Trustee-Manager Audit Committee and the Company Audit Committee have reviewed the procedures for reporting possible improprieties in financial reporting, internal control or other matters. In addition, the Trustee-Manager and the Company have established a policy relating to inside information and securities dealing for compliance by all employees of the Group.

Boards of Directors

Each of the Trustee-Manager Board and the Company Board, led by the Chairman, is responsible for approval and monitoring of strategies and policies, approval of annual budgets and business plans, evaluation of the performance, and oversight of management of the Trustee-Manager and the Company respectively. Management is responsible for the day-to-day operations of the Group under the leadership of the Chief Executive Officer. The Boards consider that the senior management of the Trust Group comprises the Executive Directors.

As at 30 June 2020, each of the Boards consisted of a total of seventeen Directors, comprising five Executive Directors, six Non-executive Directors and six Independent Non-executive Directors. More than one-third of the Board are Independent Non-executive Directors, among which more than one of them have appropriate professional qualifications or accounting or related financial management expertise as required by the Listing Rules. All Directors are required to retire from office by rotation and are subject to re-election at the annual general meeting once every three years pursuant to the Trust Deed and the articles of association of the Company.

The positions of the Chairman and the Chief Executive Officer of the Company are held by separate individuals. The Trustee-Manager does not appoint a Chief Executive Officer due to its specific and limited role to administer the Trust. The Chairman is responsible for providing leadership to, and overseeing the functioning and effective running of, the Boards to ensure that each Board acts in the best interests of the Trust and the Group, as appropriate. In addition to board meetings, the Chairman schedules meetings annually with Independent Non-executive Directors without the presence of other Directors. The Chief Executive Officer, working with the executive management team, is responsible for managing the businesses of the Group, attending to the formulation and successful implementation of Group policies and assuming full accountability to the Company Board for all Group operations.

CORPORATE GOVERNANCE *(Continued)*

The Trustee-Manager Board and the Company Board hold meetings on a combined basis, and they meet at least four times a year. Additional board meetings will be held when warranted. Directors also participate in the consideration and approval of matters by way of written resolutions, which are circulated to Directors together with supporting explanatory write-up and coupled with briefings from the Chief Executive Officer or the Company Secretary as required.

The Company Secretary of the Trustee-Manager and the Company supports the Boards by ensuring good information flow within the Boards and that board policy and procedures are followed. The Company Secretary is responsible for ensuring that the Boards are briefed on all legislative, regulatory and corporate governance developments and that the Boards have regard to them when making decisions. The Company Secretary is also directly responsible for the Trustee-Manager's and the Trust Group's compliance with all obligations of the Listing Rules, Codes on Takeovers and Mergers and Share Buy-backs, Companies Ordinance, SFO and other related laws, rules and regulations.
