

Graduate Trainee 2021 (Ref. No. GT-2021)

HK Electric, a power utility that has supported the growth of Hong Kong for the past 130 years, provides promising and long-term career opportunities for our employees. We are committed to enabling them to grow with the Company, developing their talents and meeting their aspirations.

In 2021, we are going to recruit graduates in the following engineering disciplines:

- Civil
- Information
- Electrical
- Electronic
- Mechanical

Training Programme

Trainees will undergo a two/three-year programme, depending on the disciplines they select. The training programmes are accredited by The Hong Kong Institution of Engineers. For the engineering and information disciplines, training will focus on such areas as engineering and information technology specification, tender evaluation, project management, construction, operation and maintenance in connection with generation, transmission and distribution of electricity, and the underlying information technology landscape.
