## Graduate Trainee 2022 (Ref. No. GT-2022)

HK Electric, a power utility that has supported the growth of Hong Kong for the past 130 years, provides promising and long-term career opportunities for our employees. We are committed to enabling them to grow with the Company, developing their talents and meeting their aspirations.

In 2022, we are going to recruit graduates in the following disciplines:

- Information Technology
- Electrical Engineering
- Electronic Engineering
- Mechanical Engineering

### Training Programme

Trainees will undergo a two-year training programme accredited by The Hong Kong Institution of Engineers. Training will focus on such areas as engineering and information technology specification, tender evaluation, project management, construction, operation and maintenance in connection with generation, transmission and distribution of electricity, and the underlying information technology landscape.
